

IDENTITY: WHO AM I?

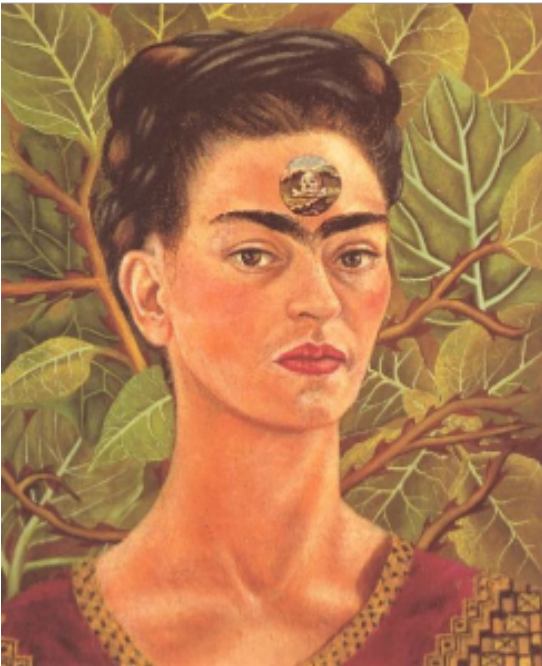

IDENTITY: WHO AM I?

OVERVIEW

In this lesson, you reflect on this question through discussion, writing and making art. You first define “identity” and consider who you are and what you value. Art making can be a valuable tool in the development and exploration of identities for you. You will be asked to explore your personal identity by learning how to use PicsArt to create your own identity. This lesson is designed as a kick start for you to explore the larger idea of identity itself.
